**Montreal, March 1, 2007** – PRODUCTIONS MULTI-MONDE is proud to announce that the short film **MY FRIEND ANA** by Laura Turek, has been selected to be screened at Input 2007 in Lugano, Switzerland.

What kind of jail has no gates and no guards? **MY FRIEND ANA** tells the story of fourteen year-old Sophie as she navigates the rules of her surreal prison of the mind with the help of her new friend Ana.

*This gorgeously creepy exploration of self-destruction overflows with rich Lynchian metaphors.*
